SUBJ: Post Office Box 19106, Telephone Prefix Letters  
AL, CO, OR and RI and Name ODUM

Post Office Box 19106 is located in the Medical Center Branch Post Office, 2507 Knight Street, zone 75219, telephone 521-4000. The party in charge refused to divulge any information regarding the renter or renters of Box 19106 and whether or not an individual named ODUM did or had rented said box. The party in charge at this branch stated that records are maintained of the renters but should the renter move, any records containing the change of address would have been destroyed after a period of two years. The old postmaster was "fired" after the passage of the new Civil Service regulations by President Nixon and a new one has not yet been appointed. This branch is now under the supervision of a Mr. Glen Wrigge, Officer in Charge, Dallas General Post Office.

Representative(s) of the telephone company in Dallas stated that the prefix letters AL, CO and OR, have never been used in the Dallas area and are not in use at the present time. However, the prefix RI(verside) is presently assigned to the downtown business district and was in use in 1963. A search of the Dallas telephone directories for the years 1960, 1963 and 1968 reveal no listing for an individual named Lee Odum or Odom.

The foregoing was prepared from and is a summary of the information contained in a letter from a correspondent in Dallas, Texas.
